Tightwads on the Loose
Wendy Hinman
Amazon
\$12.63

✶ The author and her husband, both accomplished sailors, head south from their home port of Seattle aboard their new 31-foot sailboat. They join the Baja Ha-Ha rally to Mexico and continue on a 34,000-mile Pacific voyage. Interesting ports of call and lively writing make this an entertaining read. —*Charlie Feldschau*

From “The Ensign” Wnter 2014 Issue, US Sail and Power Squadron
